[Two part message complete]

[Part I] To VICTOR.

Rose KARSNER[1] has received a letter from the POLECAT [KhOREK][ii] Duncan PERGUSON[iii] (lives in the OLD WOMAN's [STARUKhA][iv] house) in which is described the situation regarding the alterations to the OLD WOMAN's house, her finances [and][a] health, [C% and which] says: "I tried to persuade her to go for a rest to CUERNAVACA, ACAPULCO or some other place, while the

alterations to the house were going on, but she would not agree. Judging by what various persons have told me, it is essential that she should go away somewhere at the end of the summer or at the beginning of the autumn." LEWITT[v] on receipt of the letter (the detailed contents we got from SATYR[vii]) called up KhE...[vii] and told him that in view of the rainy period which would soon begin the climate of the capital of the COUNTRYSIDE (DEREVNYa)[viii] was hardly suitable for medical treatment and after that quoted Duncan's letter. KhE... replied that he could not of course go there for treatment at such a time, but that he would go to one of the above mentioned dry places in the COUNTRYSIDE or to his mother's property [IMENIE] in TEXAS, adding that he could go to the COUNTRYSIDE and take the OLD WOMAN off for a rest to ACAPULCO, to which LEWITT agreed. At the same time KhE... said that he could arrange for the O.W.'s [S.][ix] rest on his mother's property in TEXAS. We propose for [C% your decision]:

[Part II] 1. As the POLECATS know that the climate of ACAPULCO is dry and warm KhE... to go there for treatment and on the way call in at the O.W.'s [S.] and together with Duncan persuade her to go for a rest. This will enable KhE... while in her house to acquaint himself with the surroundings [OKRUZHENIE][b] and [1 group unrecovered] [D% about] [C% important] POLECATS of the COUNTRYSIDE. On the return journey from ACAPULCO to the COUNTRY [STRANA][x] KhE... breaks his journey for about 10 days to carry out the task (of the editors of the magazine "Fourth International"[xi][c] of collecting information for articles on the Sinarquistas [SINARKISTY][d]). This will allow him to collect additional data on the POLECATS [on][a] our task.

2. KhE... to refuse the trip for treatment to the COUNTRYSIDE. Instead of this to go for treatment to his mother's property. After [4 groups unrecovered] rest [B% to occupy himself] in carrying out the task of the magazine "Fourth International" and on this pretext leave for the COUNTRYSIDE for two weeks. In this case he will not be able to acquaint himself in detail with the O.W.'s[ix] surroundings though he will be able to collect the basic data about the POLECATS of the COUNTRYSIDE and the O.W. : Wire your decision not later than 10 a.m. on the 29th of May. At the same time please send a detailed task for KhE... while in the COUNTRYSIDE and at [B% the O.W.'s]. KhE... 's mother has expressed a wish to pay the expenses of his trip for treatment.

T.N.: [a] Inserted by the translator.

[b] OKRUZhENIE: the word may have a slight technical flavour. Compare its use in the [redacted] messages published in S/ARU/T2772, where, in the context of agent nets working among the Frontier Troops in Estonia, some informants are recruited IZ OKRUZhENIYa ("from the surroundings" or "surrounding district") as opposed to those recruited among the personnel of the units concerned and their wives.

[c] Unless the parenthesis beginning after "task" is the result of a garble, it seems probable that the end of the parenthesis has been omitted after the close of the quotation marks.

[d] Sinarquistas: a Spanish portmanteau word derived from "syndicalist-anarchists".

Comments: [1] Rose KRASNER: Mrs. David Fulton KARSNER (née GREENBERG), by this time married to James P. CANNON ("DAK"), national secretary of the Socialist Workers' Party, who was sent to prison on 31 Dec 1943.

[ii] KhOREK: Trotskyite.

[iii] Duncan PERGUSON: a member of the S.W.P.; went to Mexico in January 1944 to replace Walter ROURKE as bodyguard and personal secretary to Natal'ya SEDOVA-TROTSKY.
